

## Pediatric Education for Prehospital Professionals BLS Course

When: March 17th, 2012

Time: 9am until 5pm

Where: Pipestone EMS Building  
811 5<sup>th</sup> St. SE  
Pipestone, MN 56164

Cost: Free to EMS agencies based in Big Stone, Chippewa, Cottonwood, Jackson, Kandiyohi, Lac Qui Parle, Lincoln, Lyon, Mcleod, Meeker, Murray, Nobles, Pipestone, Redwood, Renville, Rock, Swift, and Yellow Medicine counties. \$120 per student for all other EMS agencies

This course, designed by the American Academy of Pediatrics, is designed specifically to teach prehospital professionals how to better assess and manage ill or injured children. PEPP is a comprehensive, innovative, and highly visual program that includes case-based lectures, live action video, hands-on skill stations, and small group scenarios.

To register, complete the attached enrollment form and email or fax to SCMNEMS no later than March 9<sup>th</sup>, 2012. Purchase Orders will be accepted for agencies outside of the Southwest EMS region. Upon receipt and approval of your enrollment, you'll receive a PEPP BLS course textbook and acceptance letter. Don't delay! This class will be limited to the first 30 enrollees!

Enrollment forms can be emailed to [griffithm@hickorytech.net](mailto:griffithm@hickorytech.net) or faxed to 507-257-3392.

Any questions? Feel free to contact Mark Griffith at 507-257-3412
